**Subject:** FW: James here is the clean version of the QAPP that Mike worked on and the Track Changes...let me know that you received these and you are ok with  
QAPP for West Lake Landfill - Baseline Off-Site Air Monitoring-Final.docx  
QAPP for West Lake Landfill - Baseline Off-Site Air Monitoring-TrackChan....docx

I forgot one more big thing...there was a table added by Mike Davis that referenced detection limits...should be fine the way he worded it
